

This year's **DGAC Annual Conference** will be jam packed with presentations from experts in the hazmat/dangerous goods transportation field. The speakers are subject matter experts and their presentation topics are timely, informative, industry critical and not to be missed!

We are still finalizing the conference program, but just to give you a "**sneak peek**":

**Here is the preliminary line up of invited speakers:**

Douglas J.J. Peters, Maryland State Senator, Chair-Public Safety, Transportation and Environment Subcommittee

George Kerchner, Executive Director PRBA, The Rechargeable Battery Association

Darlene Susa-Anderson, UL - ECHA's responsibilities regarding REACH & CLP

Shane Kelly, PHMSA

Paul Roberti, Chief Counsel PHMSA

Bill Schoonover, Associate Administrator PHMSA

Charles Betts, FAA – Stakeholder Engagement

**Other Topics of Member Interest, to include:**

Updates from TDG, GHS, ICAO and IMO

Federal Rule Making Panel Discussion

Regulatory changes/updates for China

Panel discussions on the future of training in the dangerous goods industry and adult learning

Luncheon Speaker: "Lessons Learned – First Responders to Active Shooting, MD: A Case Study"

Networking Receptions both Monday & Tuesday night of the conference
